Non Member Fees and Charges Explained

Annual Centre Recognition Fee

This fee covers the period 1 August 2009 - 31 July 2010 and is invoiced in June 2009. It is based on the previous year's or anticipated learner registrations.

The following are covered within this fee:

- access to unit library
- access to curriculum advice
- access to a minimum number of Quality Review visits
- initial quality audit and centre risk assessment report
- access to accredited qualification and units
- central administration and account management costs as agreed with the OCN

See our website (www.ocnner.org.uk) for a full explanation of all charges and examples of costs to organisations.

OCNNER reserves the right to charge for additional services.
