# Experts in credit based unitised learning

We are a leading awarding body  
with extensive experience of credit  
based unitised learning.

Our units of learning can be flexibly combined to create  
a varied range of accredited courses at different levels.

Providing expert advice and guidance, we enable  
you to develop courses that meet the needs  
of your learners.

# Bringing our service to you

We assign a dedicated member of staff to provide on-site support for all aspects of your organisation's OCN activity.

Our offices are located in the heart of the North East region.

We provide a unique, personalised service that responds to the needs of your organisation and your learners.

# Frameworks for progression

OCN North East Region offers an extensive range of Qualification and Credit Framework (QCF) approved units.

Our QCF units can be flexibly and imaginatively combined to create a range of progression pathways.

As an approved AVA we accredit the Access to Higher Education Diploma which prepares learners for study at university.

# Developing Skills in our Region

A wide range of learning providers, located throughout our region, work with us to offer OCN accredited courses.

Our learning providers include:

- **Schools**
- **Colleges of FE**
- **Private Trainers**
- **Adult Learning Centres**
- **Employers**
- **Voluntary and Community-based organisations**

# National Strength North East Service

OCN North East Region is one of eleven regional Open College Networks covering England, Wales and Northern Ireland.

We are licensed by the National Open College Network (NOCN), the leading awarding body for credit based qualifications.

Our friendly staff live and work in the North East and are committed to providing a first class regional service.

As well as our national qualifications we can offer regional accreditation for your unique learning programme.
